City of Ojai

City Manager's Budget Message

In the 2020/21 budget message, we discussed the challenges caused by COVID-19, and noted that the “budget is expected to be volatile, some revenues may over perform dramatically if the economy recovers quickly. Others may underperform dramatically if closures continue. By proposing necessary reductions, this budget is a positive first step, but staff will continue to monitor, and return to Council as needed to adjust to changing conditions.”

Unfortunately, as we all know, impacts from COVID extended longer than expected, well past June 2020, with some restrictions remaining in place almost a year later. Businesses, particularly hotels and restaurants, two major business types in Ojai, were impacted by multiple rounds of closures, with some businesses not able to reopen until June 15, 2021. This resulted in a major impact on our economy, and significantly reduced total revenues, from the already reduced \$10.8 million to \$8.8 million.

As anticipated, revenues were volatile. Hotel tax (transient occupancy tax), which is typically the City's largest tax revenue, was budgeted at a conservative \$3.2 million but only \$2.6 million was actually received. Sales tax was also impacted, from a conservative \$1.7 million projection to \$1.3 million actual. Ultimately, tax revenues came in \$800,000 under the adopted budget. Additionally, Licenses and Permits Revenue (\$128,000 less than budgeted) and Recreation Program Revenues (\$352,000 less than budgeted) were impacted as well. Although the City had adopted a conservative \$10.8 in revenue, total revenue was reduced an additional \$2.0 million.

With such a dramatic reduction in revenue, there were two keys to being able to continue to provide quality city services: 1) close management of expenditures, and 2) the City's emergency reserve fund.

Throughout the year, the City Council reviewed the budget with staff on a quarterly basis. This allowed for timely reporting, and quick response, which resulted in difficult but needed reductions to reduce expenditures. The City reacted in real time to these challenges, managed vacancies closely, reduced use of certain contracts, and made other reductions to reduce operating expenditures from the adopted \$10.1 million to the projected actual \$8.2 million. Approximately \$840,000 in savings were from salaries and benefits, typically due to managed vacancies. These expenditures were managed closely to ensure minimal

City of Ojai

impact on services to residents. However, as certain programs, such as Recreation, come back after COVID restrictions, it will be necessary to fill key vacancies, and restore these expenditures to more “normal” levels.

The City Council reserve policy is to have General Fund reserves equal to 50% of General Fund appropriations for the coming year. In recent years, with \$10 to \$11 million annual budgets, this has meant that to meet the reserve policy, the City needed to have \$5 to \$5.5 million in reserves. The City has not met this reserve goal, and entered the pandemic with approximately \$3.4 million in reserves.

The emergency reserves are particularly important because of Ojai’s reliance on tourism and sales tax for 26% and 16% of the City’s revenues respectively. With 42% of the City’s General Fund revenues directly tied to the tourism industry, the City is particularly vulnerable to impacts to those industries. During the COVID pandemic, these industries were hit particularly hard, resulting in the City of Ojai needing to utilize the emergency reserves for months at a time when hotels, wineries and restaurants were shut down, resulting in almost zero revenues. It is anticipated that the City will lose over \$4.2 million due to the impacts of COVID, and with only \$2.5 million expected in emergency funding, the City will absorb much of that cost. The City should consider this a learning experience for evaluating future emergency reserve needs; realizing that our economy is perhaps more susceptible than initially thought.

In June of 2020, staff projected that the City would have approximately \$2.3 million remaining in reserves on June 20, 2021. Although this projection appears to be fairly accurate, at the time of the projection, staff did not anticipate the multiple rounds of hotel closures which at times reduced the City’s reserves from \$3.4 million to approximately \$1 million. Typical monthly expenditures for the City total approximately \$700,000. With \$1 million in reserve at times, it was not an exaggeration to state that the City was potentially months away from completely depleting reserves. As positive news, as businesses have reopened the City appears to be recovering quicker than expected, although the reserves are still down from prior year, and are well short of the City’s reserve goal policy. This is yet another reason to budget conservatively, as the City will need to manage its budget carefully and closely to have funding available to continue to build the emergency reserves.

Upcoming Fiscal Year (21/22) Budget Revenues

The draft budget anticipates General Fund revenues of \$10.2 million. Tax revenues comprise approximately \$7.6 million, or 75% of the General Fund revenues. Transient Occupancy Tax (TOT) revenue once again is

City of Ojai

that revenue, accounting for \$2.8 million of the City’s anticipated General Fund revenues. This is a conservative estimate due to the potential COVID impacts on hotels, and is lower than typical levels.

Property tax revenue is projected to make up \$2.2 million, a 10% increase from the \$2.0 million anticipated in the adopted FY 2019/20 budget. Staff projects Sales Tax revenue will increase to approximately \$1.75 million from \$1.66 million in the proposed FY 2020/21 budget, as stores continue to recover from the closure orders. Cannabis tax is anticipated to total \$420,000, up from last year’s \$185,000 for partial year.

Licenses and Permits revenues are projected to decrease from prior year to approximately \$460,000. Recreation Program Revenues are also projected to decrease dramatically due to the impacts of COVID, from last year’s adopted \$433,000 to \$164,000 this year. Last year’s actual revenues for recreation were only \$81,000, as COVID shuttered most classes. These revenues are all expected to continue to be impacted by the coronavirus orders, and will take time to recover.

Expenditures

The largest percentage of General Fund expenditures (\$7.6 million) pay for salaries and benefits of employees (\$4.2 million includes Unfunded liability and Retiree Health), and for providing police services (\$3.4 million). These are the fixed costs to deliver essential services, such as police, public works, and other services, to the residents of Ojai. The City was able to reduce salaries and benefits by almost \$1 million last year, but is planning to restore services this year.

City of Ojai

The contract for basic Sheriff's Department services is budgeted to increase approximately 5% compared to last year's budget. Employee salary costs are estimated to increase 2.1% based on step increases for eligible employees and minimum wage increases for part-time employees. The continuing minimum wage increases will continue to impact the City's Recreation Department, and the City may need to look at adjusting fees or staffing for those services to help offset the cost increase. Other salary cost increases are partially offset by a 4% reduction in cost for employee pensions as a result of recent changes requiring employees to contribute a weighted average 5.2% of the total 7.7% current pension cost.

Measure “C” and the City’s Commitment to Infrastructure

On March 3, 2020, the City of Ojai took a major step forward in its commitment to infrastructure and other key projects, with voters approving implementation of Measure “C,” which increased the hotel tax from 10% to 15% to fund City capital improvement and maintenance projects, including street paving; and fire mitigation, code enforcement, and climate change mitigation. Although the pandemic was unanticipated and reduced expected Measure “C” funding from \$1.6 million to approximately \$1.3 million, this funding will be critical in helping the City to recover and ensure that the City continues to be able to maintain important items like the City’s streets.

The City is planning road overlays (paving) this year that are only possible because of Measure “C” funding. In addition, the City has successfully leveraged Measure “C” with grants and donations to stretch the \$1.3 million into approximately \$3.9 million in Capital Improvement Projects. Having local “match” money available can enable the City to receive top rankings for many of its grant applications. The City’s pavement condition index scores have been rising slowly in recent years, reversing years of declining PCI scores. It is anticipated that with Measure “C” funding, the PCI scores will rise more quickly in future years, and the City will also catch up on important projects like wildfire mitigation, and climate change mitigation. This year is a primary example of this, as without Measure “C,” street paving would have likely been postponed. However, with Measure “C,” paving is planned this year.

City of Ojai

Economic Outlook:

Looking forward, there are several key issues to keep in mind as we prepare the current and future budgets, including:

- **The long-term impact of the Coronavirus Pandemic, and other potential Economic Downturns and Natural Disasters**– The City has been impacted by one of the largest wildfires in California history, and then an unprecedented pandemic within the last few years. These disasters and the economic downturn from the coronavirus pandemic should impress upon the City of Ojai the need for adequate reserves to withstand them. Staff is preparing to review the reserve policy with the City’s Finance and Budget Committee this year, with these issues in mind.

The City of Ojai should always be prepared for natural disasters that could greatly impact our economy. Fires, earthquakes, floods, pandemics and other disasters have the potential to occur at any time and significantly impact our economy. City operations should be structured to provide for buffers to allow us to weather any future economic storms or natural disasters. The City has continued to focus resources on emergency preparedness in recent years, but must consider these issues carefully as budgets are prepared. It is a matter of when, not if, the next emergency will occur.

- **Public Safety Costs** - Costs for Police services have been increasing between 2.5-5% annually over the past few years (other than a small reduction due to COVID impacts). Most of this increase is the cost of services provided by the Ventura County Sheriff’s Department, although some of the increase is due to new technology (MDTs, body cameras, smart phones, etc.), changing the type of vehicles used and equipping them, and protective equipment. The cost of public safety has been increasing in all cities and increased costs are expected from the Sheriff as well. Increased costs will need to be covered by increased revenues or decreased expenditures in other areas of the budget. In May of 2021, the City of Ojai initiated an in-depth assessment of public safety costs and the current contract, reflecting the importance of this issue. The City will need to keep these issues in mind as it works to update its public safety agreement.

- **Pension costs** – Changes made by CalPERS in the discount rate used for pension calculations will result in \$150,000 additional annual pension costs (from FY 16-17 levels) to the City by FY 22-23, across all cities. The increases began to be phased in beginning with the 2017-18 fiscal year. The City has continued to take steps towards addressing this issue in FY 20-21, by requiring that “classic” employees offset cost of living increases by paying 5 percent of their PERS contribution. PEPRAs employees (those hired after January 1, 2013, already make this contribution.

- **Retiree Medical Benefit** – The actuarially computed liability for retiree medical costs has been increasing over the past few years as governmental and financial

City of Ojai

accounting standards boards have changed the requirements, multiple times, for computing and reporting these costs for inclusion in the City's financial statements. Some of these costs are hard costs (i.e. amounts actually paid for medical insurance premiums for retired employees and their dependents) and others are future amounts computed by actuaries based upon complex computations and assumptions. Currently, the City pays approximately \$200,000 annually for retiree medical premiums. The City has significantly reduced retiree medical benefits for employees hired after October 1, 2012, but will be responsible for retiree medical benefits for some of the current work force hired before that time as they retire in the coming years. In FY 21-22, the City proposes re-initiating the contribution of \$100,000 per year to the OPEB trust for future retiree medical premiums. At the current pace, plan assets will equal the unfunded OPEB liability in 2026 and the liability will be nearly paid off in 2036.

City of Ojai

Budget Format:

The layout and presentation of the budget allows readers to more easily understand the document, while still providing sufficient detail for in depth analysis. Items A-H in the Table of Contents constitute the “core budget” while item I includes the CIP budget. All other sections are support for the budget. The revised layout includes the following sections:

A – Budget Message: The budget message is a summary of the budget and important information provided by the City Manager transmitting the budget to City Council.

B – Statement of Financial Principles: These principles have been developed to guide City Council and staff as we budget city resources and use those resources to carry out the mission of the City.

C – Statement of Investment Policy: This includes the City’s policies related to investments, including authorized investments. The Statement of Investment Policy was completely rewritten in 2017 to meet the standards recommended by the California Municipal Treasurers Association (CMTA). These standards include the requirements of the California Government Code and best practices promulgated by the Government Finance Officers Association of the US and Canada and other standard setting agencies. This policy provides a strong framework for investing the City’s assets and provide protection of those assets. The policy clearly incorporates the three most important factor in investing City funds:

- 1) Safety – Safety of principal in the foremost objective of the investment program.
- 2) Liquidity – The City’s portfolio will remain sufficiently liquid to meet all operating requirements which might be reasonably anticipated.
- 3) Return on Investment – The City’s portfolio will have the objective of attaining a comparative performance measurement or an acceptable rate of return throughout the budgetary and economic cycles.

D – Budget – General Fund and All Other: The budget is presented in summarized form, including major revenues and expenditures by major expenditure types. The Budget is shown in the first column with comparisons to prior year budgets and prior year actual amounts in the other columns. Furthermore, the General Fund budget is laid out to show the City’s “net income from operations”, which is revenues less departmental expenditures. This is intended to present the resources available to use for contingencies, non-operating expenditures, and transfers.

The budget includes \$10.852 million revenue less \$10.849 million departmental expenditures (including \$200,000 operating contingency) resulting in \$2,000 surplus. The budget also includes the following “non-operating” expenditures resulting in \$527,000 “net income before transfers”:

- 204,000 Community Outreach

City of Ojai

- 32,840 Arts Commission
- 100,000 Prepayment of Retiree Medical

E – Budget Highlights: Includes narratives about significant items included in the budget and schedules providing additional information to allow readers to understand different aspects of the budget. These schedules are a new addition to the Budget Highlights and include:

- **General Fund Revenues by Type and Expenditures by Department** – This shows revenues by major revenue type and the expenditures that are budgeted for each department (and sub-department) in the General Fund. This includes the dollar and percent changes from the prior final budget and a comparison to actual results from the prior three years.
- **General Fund Revenues & Expenditures by Major Category** – This shows revenues by type and expenditures by major expenditure type in the General Fund. This includes the dollar and percent changes from the prior final budget and a comparison to actual results from the prior three years.
- **General Fund Departmental Expenditures by Major Category** - This schedule shows the expenditures of each General Fund department by major expenditure category. This includes the dollar and percent changes from the prior final budget and a comparison to actual results from the prior three years.
- **Revenue & Expenditure Summary – All Funds** – This schedule shows the revenues, expenditures, and budgeted use of fund balance for each of the City’s funds. This includes the dollar and percent changes from the prior final budget and a comparison to actual results from the prior three years.

F – Summaries – This section includes 20 charts and graphs providing historical and current budget information to assist the reader in understanding various aspects of the General Fund and other funds in the City.

G – Narratives - This section includes narratives describing the various items included from each department, and organization charts for all departments of the city. This is comparable to the budget schedules and narratives contained in prior year budgets.

H – FY 21-22 Proposed Budget Detail Worksheet – This includes line item detailed revenue and expenditures for each city fund, with a total showing the net “Revenues over/ (under) expenditures for each fund. This includes the dollar and percent changes from the prior final budget and a comparison to actual results from the prior three years. This schedule shows the budget in the first column and comparison information in other columns.

City of Ojai

I – CIP Plan – This includes multi-year schedules showing the estimated revenues and City's planned capital and other projects for the next five years. This also shows the five-year plan for equipment & technology and vehicle revenues and expenditures.

Respectfully Submitted,

James Vega,
City Manager

City of Ojai

City of Ojai

Statement of Financial Principles

Section 1: Purposes

The purposes of the Statement of Financial Principles are: to provide a sound basis for budgeting and financial management; to identify practices and procedures that contribute to prudent use of public funds; to serve as a guide to the Administration and City Council in developing and approving the annual budget; and, to be a tool for educating the community regarding the basis of financial decision making.

Section 2: General Financial Goal

To manage the resources of the City in a prudent and conservative manner that supports the economic, social and environmental values of the community.

Section 3: General Principles

- a) The City Council will review its goals and priorities annually before the budget is prepared. The Goals will serve as a guideline for preparation and approval of the budget.
- b) The City will maintain a level of expenditures that will provide for the well-being and safety of the general public and citizens of the community.
- c) The City will manage financial assets in a sound and prudent manner.
- d) The City will maintain and further develop programs to ensure its long-term ability to pay all the necessary costs of City operations. The City will endeavor to provide the highest quality of service possible to the residents of the City of Ojai.
- e) The City will adopt its annual budget by June 30 of each year as required by the statutes of the State of California. The two main objectives are to first balance the budget without the use of General Fund reserves and, second, to increase reserves and accumulate funds for future needs.
- f) The City will maintain its infrastructure at an appropriate level and make needed improvements as resources are available.
- g) The City will provide funding for capital equipment replacement, including vehicles, technology, and other equipment needed to achieve greater efficiency in its operations. The City shall establish a fund to set aside money over time to fund scheduled replacement of equipment and technology.
- h) All City officials and employees shall conduct themselves in an ethical and professional manner at all times and will not act in a way that will expose the City to any liability.
- i) Dishonesty, fraud or misuse of City money and property, in any form, is not tolerated. Employees are expected to discuss instances of suspected fraud with their immediate supervisor or other appropriate executive management personnel immediately. All allegations of fraud or misuse of City money and property will be investigated in an appropriate manner and “whistle blowers” will be protected from all forms of retaliation.

City of Ojai

Section 4: Revenue Policies

- a) The City will use a conservative approach in estimating revenues to maintain financial flexibility to adapt to local and regional economic changes.
- b) The master fee schedule will be updated annually to recover, when possible, the cost of providing services. Under California law, the fees for services may not exceed the cost of providing the basic service. City Council will determine the level of cost recovery and, in some instances, may determine that it is in the City's best interest to not charge any fees or the full cost of providing the service. These charges or fees for services will be identified before or during the budget approval process.
- c) The City will aggressively pursue revenue collection and auditing to ensure that monies due to the City are received and accurately recorded in a timely manner.
- d) One-time revenues will not be used for ongoing expenditures.
- e) Revenues that exceed expenditures at the end of the year shall be first used to satisfy the general reserve requirements before being appropriated for other uses.
- f) The City will continue to explore revenue-raising alternatives as necessary and pursue appropriate grants available for local government. (The City may decline to accept a grant if the grant requires continued City funding after the grant expires or if the City's "match" requirement would be excessive.)
- g) All possible grants shall be discussed with the City Manager and the Director of Finance before acceptance to determine if the grant provisions are financially viable for the City. Specifically, the amount of the City match, other non-reimbursable expenditures required for (or related to) the grant, the timing of expenditures under the grant, and the timing of reimbursements must be considered to ensure that the future outflow of City resources is acceptable under the extended cash-flow requirements of the City.
- h) Program managers for grant-funded operations or projects shall diligently pursue reimbursements in a timely manner to minimize the negative cash flow to the Fund.
- i) The City Council shall be promptly informed of any significant revenue gain or loss impacting the City.

Section 5: Expenditure/Budget Policies

- a) Each year, the City Manager will provide a budget for City Council approval. All appropriation authority approved in the annual budget expires on the last day of the fiscal year.
- b) Current year operating expenditures shall be funded by current year operating revenues.
- c) The City will continue to explore options to deliver services in the most cost-effective method, including public-private partnerships and partnerships with other governmental agencies.
- d) Programs that are funded through user fees shall be self-supporting. (The City may partially subsidize some of these programs if it is in the City's best interests to do so.)

City of Ojai

- e) Requests for additional appropriations beyond the adopted budget must be approved by the City Council.
- f) Fiscal year expenditures must be within the Fund's approved appropriations. Departmental expenditures should not exceed the department's approved appropriations; however, the appropriation limit is at the Fund level.
- g) Departments with an approved capital outlay budget, that are unable to purchase the capital item by the end of the year, *may* carry over a specified amount to the next fiscal year with the specific approval of the City Manager.
- h) All encumbrances expire on the last day of the fiscal year. Departments with encumbrances at the end of the fiscal year must receive approval from the City Manager to carry over any encumbrances. Each encumbrance will be considered separately.
- i) Salaries and benefits savings from vacancies may be used for temporary or contractual services. Salary savings may not be used to fund maintenance or other operations without explicit approval from the City Manager.
- j) Departments shall adhere to the City's purchasing guidelines when expending funds.
- k) All City officials and employees shall adhere to the City's conference and travel expense policy. The City Manager shall approve all conference and travel for City employees. The City Manager **may** delegate approval to a Department Director for conference and travel expenses of employees within their departments.
- l) When appropriate, projects or programs that have multiple funding sources must first use funds that have the most restrictions before using resources of the General Fund or other Fund, unless otherwise approved by the City Council.

Section 6: Capital Improvement Projects (CIP) Policies

- a) The City will develop and implement a five-year capital improvement plan.
- b) In order to assure that the five year capital improvement plan is adequately funded, the City will maintain a Capital Improvement Fund to accumulate and spend resources. In the annual budget process, the City will include a reasonable and prudent amount of General Fund monies to be provided to the Capital Improvement Fund for capital improvements and repairs to various facilities. The portion contributed shall be adjusted annually until the amount is determined to be sufficient to properly maintain City infrastructure. Currently, the City has dedicated 20% of Transient Occupancy Tax receipts for this purpose.
- c) As provided in Section 3 g) above, the City shall establish a Fund to provide needed resources to fund scheduled replacement of equipment, vehicles, and technology.
- d) The long term operating impact of any capital improvement project must be disclosed and vetted by the City Manager and the Director of Finance before the project is recommended for funding.
- e) The City will select only the most responsible and reputable contractors to work on capital projects.
- f) The City will abide by applicable Federal, State and local laws/regulations on public works contracts.

City of Ojai

Section 7: Debt Policies

- a) The City shall avoid, as much as possible, incurring general obligation debt.
- b) The City may participate in the statewide issuance of Tax & Revenue Anticipation Notes (TRANs) in accordance with applicable TRANs guidelines.
- c) For short-term debt requirements, the City shall consider inter-fund loans, when it is more cost effective and feasible, rather than borrowing from sources outside the City.
- d) The City may use lease-purchase financing when it is most cost effective.

Section 8: Investment Policies

- a) The City Treasurer shall abide by the City's adopted investment policy and shall submit a monthly report to the City Council on the investment activities.
- b) The investment policy shall be revised as needed each year and shall comply with the guidelines established by the California Municipal Treasurers' Association. Certification of the investment policy should be obtained at least every five years.
- c) The investment policy shall be reviewed and approved annually by the City Council.

Section 9: Inter-fund Transfer Policies

- a) Transfers to the General Fund from other funds for overhead costs shall be reviewed annually and shall conform to OMB (Office of Management & Budget) A-87 guidelines.
- b) All City funds, including eligible grant funds, shall share the administrative costs borne by the General Fund, unless specifically prohibited by State or Federal law.

Section 10: Special Revenue Fund Policies

- a) The City shall abide by applicable rules and regulations pertaining to the expenditures of special revenue funds as required by the funding source.

Section 11: Accounting, Auditing & Financial Reporting Policies

- a) The City will comply with all generally accepted accounting principles (GAAP) and adhere to the statements issued by the Governmental Accounting Standards Board (GASB) and, where applicable, the Financial Accounting Standards Board (FASB).
- b) Unfunded "other post-employment benefits (OPEB)" shall be reported as required by GASB pronouncements. The City has established an OPEB trust to accumulate funds for future OPEB liabilities. The City shall include budget appropriations each year to pay current OPEB liabilities from current resources and contributing all or a portion of its unfunded OPEB liability to the trust annually.
- c) The City shall retain the services of an independent auditor to perform annual financial audits.
- d) The City shall request bids for annual financial statement audit services at a minimum every five years. Audit contracts shall not exceed three years but may include up to two optional extensions for a total of five years.
- e) The City Council shall be promptly informed of any significant financial reporting

City of Ojai

issue or any audit findings.

Section 12: Reserve Policies

- a) The City shall maintain a minimum unrestricted, unreserved fund balance for contingencies, equivalent to 50% of the General Fund's budgeted expenditures for the current fiscal year. Maintaining this minimum reserve will also allow the City to meet on-going operations and provide for future needs. The minimum reserve requirement will be reviewed by the City Council as necessary, but not less than annually.
 1. City Council must pass a resolution declaring a financial emergency in order to draw upon the reserve.
 2. The operating reserve should be replenished during the same fiscal year if possible, and if not possible, City Council shall adopt a plan before the end of the fiscal year to reimburse the operating reserve as soon as possible.
- b) The remaining unassigned fund balances, after all "reserve" requirements are met, may be transferred to the capital projects fund or may be used to increase funds set aside for capital equipment replacement, subject to City Council approval. The process will be annually reviewed by the City Council.
- c) The City may alter reserve requirements at any time, as necessary.
- d) The reserves or fund balances designated for claims and judgments shall be maintained at appropriate levels as authorized by the City Council.
- e) The reserves or fund balances designated for compensated absences shall be adjusted annually to equal the computed outstanding compensated absences liability at June 30. Designated Fund balance shall be approved by the City Council annually.
- f) Council approval will be required before expending funds designated for contingencies or any other balance for a designated use.
- g) The City will endeavor to maintain cash and investment balances equal to 50% of the budgeted General Fund appropriations.

City of Ojai

Statement of Investment Policy

- I. Purpose of the Investment Policy
The Investment Policy is established to ensure that The City of Ojai invests public funds in such a manner as to:
 - a. Comply with state and local laws;
 - b. Ensure prudent money management;
 - c. Provide for daily cash flow requirements; and
 - d. Meet the objectives of the Policy, in priority order of Safety, Liquidity and Return on investment.

- II. Legal Requirement for Approving the Investment Policy
The Treasurer or Director of Finance shall submit an investment policy to City Council annually for approval of the policy and any amendments to the policy.

- III. Certification of the Policy
The Investment Policy was submitted to the California Municipal Treasurers Association (CMTA) for certification under the Association's Investment Policy Certification Program. The policy was reviewed by a team of three reviewers from the Investment Policy Certification committee and the policy received a passing score of 85 or higher based on CMTA's criteria for Investment Policies.

- IV. Updates to the Policy – Revision Date: June 2021
The Investment Policy should be reviewed and updated at least annually. The current Investment Policy was updated in June 2021 with the adopted resolution 21-xx. The resolution states that the City shall refrain from any direct investments in businesses, funds, or financial services institutions that knowingly engage in work related to the production, transportation, storage, processing, use, or disposal of nuclear weapons or the components of nuclear weapons with no non-military applications. The City shall comply with the Investment Policy standards established by CMTA in which was updated April 2017. These standards incorporate requirements of the California Government Code and best practices promulgated by the Government Finance Officers Association of the U.S. and Canada, The California State Controller's Office, and the California Treasurer's Office.

- V. Investment Policy
The Certified Investment Policy was adopted by City Council Resolution 21-xx on June 22, 2021 and is attached in its entirety.

1 - Policy

The City of Ojai shall invest public funds in such a manner as to comply with state and local laws; ensure prudent money management; provide for daily cash flow requirements; and meet the objectives of the Policy, in priority order of Safety, Liquidity and Return on investment. The Treasurer or Director of Finance shall submit an investment policy to City Council annually for approval of the policy and any amendments to the policy.

2 - Scope

This investment policy applies to all investment activities and financial assets of the City of Ojai. The funds covered by this policy are accounted for and incorporated in the City of Ojai general purpose financial statements and include:

- a. General Fund
- b. Special Revenue Funds
- c. Debt Service Funds (Currently no debt service)
- d. Capital Project Funds
- e. Enterprise Funds

3 - Prudence – Reference: CA Govt. Code 53600.3, 53646 and 27000.3

The standard of prudence to be used by the designated representative shall be the “prudent investor” standard and shall be applied in the context of managing the overall portfolio. Persons authorized to make investment decisions on behalf of local agencies investing public funds are trustees and therefore fiduciaries subject to the prudent investor standard which states, “When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, a trustee shall act with care, skill, prudence, and diligence under the circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the agency, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency”.

4 - Objective– Reference: CA Govt. Code 53600.5

The primary objectives, in priority order, of the City of Ojai’s investment activities shall be:

1. **Safety:** Safety of principal is the foremost objective of the investment program. Investments of the *City of Ojai* shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. To attain this objective, the *City of Ojai* will diversify its investments by investing funds among a variety of securities with independent returns or in funds which hold diversified investments.
2. **Liquidity:** The *City of Ojai’s* investment portfolio will remain sufficiently liquid to enable the *City of Ojai* to meet all operating requirements which might be reasonably anticipated.
3. **Return on Investments:** The *City of Ojai’s* investment portfolio shall have the objective of attaining a comparative performance measurement or an acceptable rate of return throughout budgetary and economic cycles. These measurements should be commensurate with the *City of Ojai’s* investment risk constraints identified in the Investment Policy and the cash flow characteristics of the portfolio. The Investment Officer will select an appropriate benchmark fund to compare the City’s investment performance against.

5 - Delegation of Authority– Reference: CA Govt. Code 41006 and 53607

The City Council, as permitted under California Government Code 53607 delegates the responsibility to invest or reinvest the funds of the City of Ojai or to sell or exchange securities so purchased, to the City

Treasurer who shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate investment officers.

The City Treasurer may authorize the Director of Finance to act as the City's Investment Officer in performing the treasury functions and duties under this policy. When acting as the City's Investment Officer as provided in this paragraph, the Director of Finance shall be subject to the same limitations, obligations, and requirements as the Treasurer.

The Treasurer shall establish written investment procedures for the operation of the investment program consistent with this policy. The procedure should describe custody/safekeeping agreements, repurchase agreements, wire transfer agreements, banking services agreements, cash flow forecasting and collateral/depository agreements. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the Treasurer.

The Investment Officer shall coordinate with the City Treasurer to develop a master investment plan for the City, including a percentage of pooled cash allocated for investments, the layering of investments, and the composition of the investment types in the City's investment portfolio. The Investment Officer shall discuss changes to the City's master investment plan with the City Treasurer prior to purchasing investments that vary from the plan. The City's investment portfolio shall be reviewed by the Investment Oversight Committee as discussed in **Section 18** of this policy.

6 - Ethics and Conflicts of Interest

Investment Officers shall refrain from personal business activity that could conflict with proper execution and management of the policy and the investment program, or which could impair their ability to make impartial decisions. Investment Officers must file an annual Statement of Economic Interest Form 700 with the city clerk's office prior to April 1 of each year or when material interest in financial institutions or personal investment positions require it. Furthermore, Investment Officers must refrain from undertaking personal investment transactions with the same individual(s) employed by the financial institution with whom business is conducted on behalf of the City.

7 - Providers of Financial Services - Reference: CA Govt. Code 53601.5

The Investment Officer shall maintain a list of financial institutions formally authorized to provide investment services. The City shall enter into formal contracts for banking services, safekeeping services and investment advisory services. No public deposit shall be made except in a qualified public depository as established by state laws. All financial institutions and broker/dealers who desire to conduct investment transactions with the City must supply the Investment Officer with the following:

- Audited financial statements,
- Proof of NASD certification,
- Proof of State of California registration,
- Completed broker/dealer questionnaire, and Certification of having read the Public Agency's investment policy and depository contracts.

An annual review of the financial condition and registrations of qualified bidders will be conducted by the Investment Officer (Treasurer/ Director of Finance). A current audited financial statement is required to be on file for each financial institution and broker/dealer in which the *City of Ojai* invests.

7.1 - Authorized Broker/Dealers

The Investment Officer shall formally authorize investment broker-dealers to provide investment services to the City. Investment brokers-dealers may be primary dealers or regional brokers that qualify under Securities & Exchange Commission Rule 15C3-1 (uniform net capital rule) with branch offices in the State of California performing the transactions with the City. Broker-dealers must complete a broker-dealer statement of qualifications before being approved by the Investment Officer and execute a certification that the broker-dealer’s employees and supervisory personnel have read and understand the City’s investment policy. The Investment Officer may conduct periodic reviews of the approved list of investment broker-dealers.

7.2 - Safekeeping and Custody The Investment Officer shall select one or more financial institutions to provide safekeeping and custodial services for the City in accordance with the provisions of Section 53608 of the California Government Code. The purchase and sale of negotiable securities and repurchase agreement transactions shall be settled on a delivery versus payment basis. Negotiable securities purchased by the City will be delivered by book entry and will be held in third-party safekeeping by a City approved custodian bank, its correspondent bank or its Depository Trust Company (DTC) participant account. Non-negotiable investments such as money market funds, mutual funds, collateralized bank deposits, county investment pools, joint powers authority agreements, and LAIF will be in the name of City with statements and/or receipts evidencing investment.

8 - Authorized and Suitable Investments – Reference: CA Govt. Code 53601 and 53601.6

The Investment Officer must take special care to ensure that the list of instruments includes only those allowed by law and those that local investment managers are trained and competent to handle. On June 22, 2021, City Council adopted a resolution which states that the City shall strive to support green investments.

City Council has limited investments to **only** the following types of securities:

Authorized Investment	Govt. Code	Maximum Percentage	Maximum Maturity	Minimum Quality ¹	Other Constraints
U.S. Treasury Obligations	53601(b)	• No Limit	5 Years	None	Notes, Bonds, Bills
U.S. Agency Obligations	53601(f)	• No Limit	5 Years	None	Federal agency or U.S. government sponsored enterprise obligations, participations, or other instruments.
State of California Obligations	53601(d) and (d)	• 20% of Portfolio	5 Years	Underlying A, A-1	Bonds, notes, warrants or other evidences of indebtedness of any local agency within California
California Local Agency Bonds	53601(e)	• 20% of Portfolio	5 Years	Underlying A, A-1	Bonds, notes, warrants or other evidences of indebtedness of any local agency within California
Negotiable Certificates of Deposit	53601(i)	• 10% of portfolio • 5% single issuer	5 Years	A	<ul style="list-style-type: none"> • Issued by nationally or state chartered banks; savings or federal associations; state or federal credit unions; or federally licensed or state licensed branches of foreign banks. and • Per 53638 deposits may not exceed bank shareholder equity; total net worth of depository savings or federal association; unimpaired capital and surplus of a credit union; unimpaired capital and surplus of industrial loan companies.

Authorized Investment	Govt. Code	Maximum Percentage	Maximum Maturity	Minimum Quality ¹	Other Constraints
Bank Deposits – Collateralized or FDIC Insured	53630 et seq.	No Limit	N/A	Satisfactory rating from national bank rating service and from CRA review.	<ul style="list-style-type: none"> • Amounts up to \$250,000 per institution are insured by the FDIC; • Amounts over the insurance limit must be placed with financial institutions participating in the California Local Agency Security Program, providing for collateralization of public funds. • Per 53638 deposits may not exceed bank shareholder equity; total net worth of depository savings or federal association; unimpaired capital and surplus of a credit union; unimpaired capital and surplus of industrial loan companies. • Treasurer may waive collateral for the portion of any deposits insured pursuant to federal law. • The use of private sector entities authorized by 53601.8 to assist in the placement of deposits are NOT permitted.
Bank or Credit Union Certificated of Deposits – FDIC Insured or NCUA Insured	53630 et seq.	80% of Portfolio	5 Years	N/A	<ul style="list-style-type: none"> • Issued by nationally or state chartered banks or federally licensed or state licensed branches of foreign banks which are FDIC insured. and • Purchases limited to \$5,000 below the FDIC or NCUA Limit per institution • Amounts up to \$250,000 per institution are currently insured by the FDIC and NCUA;
Local Agency Investment Fund (“LAIF”)	16429.1 et seq.	As permitted by LAIF	N/A	N/A	
Joint Powers Authority Pools	53601(p)	<ul style="list-style-type: none"> • 60% of portfolio 	N/A	N/A	<p>JPA must be</p> <ul style="list-style-type: none"> • organized pursuant to Section 6509.7; • invest in securities in 53601 subdivisions (a) to (q); and • investment advisor is registered or exempt from registration with the SEC, with at least 5 years of experience, and has assets under management in excess of \$500 million.
County Pooled Investment Funds	53684	<ul style="list-style-type: none"> • 20% of Portfolio 	N/A	N/A	
Money Market Funds	53601(l)	<ul style="list-style-type: none"> • 15% of portfolio 	N/A	Fund must either have the highest ranking by not less than 2 NRSROs	Retain an investment adviser registered or exempt from registration with the SEC with 5 years’ experience managing money market funds in excess of \$500 million

¹ Standard and Poor’s rating system is used for minimum quality requirements. An equivalent rating from another nationally recognized rating organization is acceptable. Appendix A. provides a comparison of the different credit ratings.

9 - Ineligible Investments

Investments not described above as authorized investments are **ineligible** for purchase. The policy specifically prohibits the investment of any funds in common stock, financial futures, options, inverse floaters, range notes, or mortgage-derived, interest-only strips. Government Code Section 53601.6 also prevents the investment in any security that could result in zero interest accrual if held to maturity. The limitation in this Section does not apply to investments in shares of beneficial interest issued by diversified

management companies registered under the Investment Company Act of 1940 that are authorized pursuant to Government Code Section 53601(l). On June 09, 2020, City Council adopted Resolution 20-35 which states that the City shall refrain from any new direct investments in businesses, funds or financial services institutions that knowingly engage in work related to the production, transportation, storage, processing, use or disposal of nuclear weapons or the components of nuclear weapons with no non-military applications.

10 - Collateralization - Reference: CA Govt. Code 53601

Collateralization will be required on two types of investments: certificates of deposit amounts exceeding the FDIC insurance limits and repurchase (and reverse repurchase) agreements. In order to anticipate market changes and provide a level of security for all funds, the collateralization level will be 110% of market value for Certificate of Deposits and 102% for reverse repurchase agreements of principal and accrued interest.

Uninsured bank deposits may only be invested with financial institutions which participate in the California Local Agency Security Program (LASP) administered by the California Department of Financial Institutions. LASP provides for collateral requirements, oversight and monitoring, and reporting by financial institutions.

Collateral is also required for repurchase agreements. The market value of securities that underlie a repurchase agreement shall not be allowed to fall below 102% of the value of the repurchase agreement and the value shall be adjusted no less than quarterly. Securities that can be pledged for collateral shall consist only of securities permitted in this policy.

11 - Review of Investment Portfolio –

The securities held by the *City of Ojai* must be in compliance with Section 8.0 Authorized and Suitable Investments at the time of purchase. Because some securities may not comply with Section 8.0 Authorized and Suitable Investments subsequent to the date of purchase, the (*Designated Official – i.e. Treasurer*) shall at least annually review the portfolio to identify those securities that do not comply. The (*Designated Official – i.e. Treasurer*) shall establish procedures to report to the (Agency/District's board/council) and to its oversight committee, should one exist, major and critical incidences of noncompliance identified through the review of the portfolio.

12 - Investment Pools / Mutual Funds

Investment pools include LAIF, county pooled investment funds, and shares of beneficial interest (mutual funds and money market funds), and joint powers authority pools. A thorough investigation of any pool or fund is required prior to the City's investment and on a periodic basis while funds are invested. The investigation will include review of the following items: • Eligible investments; • Investment policy and/or investment objectives; • Interest calculation, distribution, and treatment of gains/losses; • Schedule for receiving statements and portfolio listings; • Fees.

13 - Safekeeping and Custody – Reference: CA Govt. Code 53608

All security transactions, including collateral for repurchase agreements, entered into by the City of Ojai shall be conducted on a delivery-versus-payment (DVP) basis. Securities will be held by a third party custodian designated by the Investment Officer and evidenced by safekeeping receipts.

14 - Diversification

The Investment Officer shall diversify the investment portfolio by security type, institution and maturity. The restriction on concentration in a single security type or institution is detailed in Section 8.

15 - Maximum Maturities

Individual investments within the investment portfolio are limited to a maximum of five years except where further limited by State Law and/or this policy. The City is a “buy and hold” investor whereby securities are purchased with the intent of being held until maturity. Maturities will be matched with the City’s cash flow requirements. After cash flow requirements are met, investment considerations will include seeking additional yield that may be available in the market.

16 - Internal Controls

The Director of Finance is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the City of Ojai are protected from loss, theft, fraud or misuse.

Annually, the City’s independent auditor will conduct an independent review of investment records and verify the investments have been made in accordance with this policy.

17 - Performance Standards

The investment portfolio shall be managed to obtain a reasonable rate of return while preserving capital and meeting cash flow needs. The City’s investment strategy is passive with investments generally held to call or maturity. Given this strategy and the policy objectives, the basis used to determine whether market yields are being achieved shall be the average daily yield for the preceding quarter of three month Treasury bills for the liquid portion of the portfolio and the two- year U.S. Treasury note for the short-term portion of the portfolio. Additional benchmarks may be used as they are deemed relevant and appropriate.

18 - Investment Oversight Committee

The City’s Finance and Budget Committee will serve as the Investment Oversight Committee and act as an advisory committee to the City Council. The committee shall consist of one City Council member, the City Manager, the City Treasurer, the Director of Finance, and one public member who is a resident of the City of Ojai. The public member shall be appointed by City Council for a term not to exceed four years; however, public members may request an appointment for additional terms. Applicants shall apply for this position and will be selected in the same manner as the City’s various commissions. The committee meets at least annually.

The purpose of the Investment Oversight Committee is to:

1. Review the investment practices used by the Investment Officer for compliance with the investment policy.
2. Analyze the monthly Treasurer’s reports for adherence to established guidelines.
3. Advise the City Council of any deviation from guidelines established by this policy or any other practices that are deemed imprudent for a public agency.
4. The committee reviews the Investment Policy and proposes modifications and amendments to the policy.

19 - Reporting – Reference: CA Govt. Code 53607and 53646(b)

Within 30 days of the end of each month, the Treasurer shall submit the monthly investment report to the City Manager and City Council. The monthly reports are presented to the Investment Oversight Committee at its meetings.

The report shall list each investment by investment category and include: (1) purchase and maturity dates, (2) yield, (3) original cost, (4) par value, and (5) market value. In addition, the report will provide a weighted average yield of the portfolio, the weighted average maturity of the portfolio and the monthly investment transactions.

20 - Investment Policy Adoption – Reference: CA Govt. Code 53646

The investment policy shall be reviewed at least annually by the Treasurer and the Investment Oversight Committee to ensure its consistency with the City’s overall objectives and its compliance with California Government Code and best practices. Any changes proposed must be approved by City Council. The investment policy shall be submitted to City Council for consideration and adoption at a public meeting on an annual basis whether or not modifications are necessary.

21 - Glossary:

Because this policy is to be available to the public as well as the governing body, it is important that a glossary of related terminology be part of the policy.

AGENCIES: Federal agency securities and/or Government-sponsored enterprises.

ASKED: The price at which securities are offered.

BANKERS’ ACCEPTANCE (BA): A draft or bill or exchange accepted by a bank or trust company. The accepting institution guarantees payment of the bill, as well as the issuer.

BENCHMARK: A comparative base for measuring the performance or risk tolerance of the investment portfolio. A benchmark should represent a close correlation to the level of risk and the average duration of the portfolio’s investments.

BID: The price offered by a buyer of securities. (When you are selling securities, you ask for a bid.) See Offer.

BROKER: A broker brings buyers and sellers together for a commission.

CALTRUST: See Investment Trust of California below.

CALIFORNIA ASSET MANAGEMENT PROGRAM (CAMP): A California Joint Powers Authority (“JPA”) established in 1989 to provide California public agencies with professional investment services. The Pool is a permitted investment for all local agencies under California government code section 53601 (P).

CERTIFICATE OF DEPOSIT (CD): A time deposit with a specific maturity evidenced by a Certificate. Large-denomination CD’s are typically negotiable.

COLLATERAL: Securities, evidence of deposit or other property, which a borrower pledges to secure repayment of a loan. Also refers to securities pledged by a bank to secure deposits of public monies.

COMPREHENSIVE ANNUAL FINANCIAL REPORT (CAFR): The official annual report of the (*entity*). It includes five combined statements for each individual fund and account group prepared in conformity with GAAP. It also includes supporting schedules necessary to demonstrate compliance with finance-related legal and contractual provisions, extensive introductory material, and a detailed Statistical Section.

COUPON: (a) The annual rate of interest that a bond's issuer promises to pay the bondholder on the bond's face value. (b) A certificate attached to a bond evidencing interest due on a payment date.

DEALER: A dealer, as opposed to a broker, acts as a principal in all transactions, buying and selling for his own account.

DEBENTURE: A bond secured only by the general credit of the issuer.

DELIVERY VERSUS PAYMENT: There are two methods of delivery of securities: delivery versus payment and delivery versus receipt. Delivery versus payment is delivery of securities with an exchange of money for the securities. Delivery versus receipt is delivery of securities with an exchange of a signed receipt for the securities.

DERIVATIVES: (1) Financial instruments whose return profile is linked to, or derived from, the movement of one or more underlying index or security, and may include a leveraging factor, or (2) financial contracts based upon notional amounts whose value is derived from an underlying index or security (interest rates, foreign exchange rates, equities or commodities).

DISCOUNT: The difference between the cost price of a security and its maturity when quoted at lower than face value. A security selling below original offering price shortly after sale also is considered to be at a discount.

DISCOUNT SECURITIES: Non-interest bearing money market instruments that are issued a discount and redeemed at maturity for full face value (*e.g., U.S. Treasury Bills.*)

DIVERSIFICATION: Dividing investment funds among a variety of securities offering independent returns.

DURATION: A measure of the sensitivity of the price (the value of principal) of a fixed-income investment to a change in interest rates. Duration is expressed as a number of years. Rising interest rates mean falling bond prices, while declining interest rates mean rising bond prices.

FEDERAL CREDIT AGENCIES: Agencies of the Federal government set up to supply credit to various classes of institutions and individuals, *e.g., S&L's, small business firms, students, farmers, farm cooperatives, and exporters.*

FEDERAL DEPOSIT INSURANCE CORPORATION (FDIC): A federal agency that insures bank deposits, currently up to \$250,000 per entity.

FEDERAL FUNDS RATE: The rate of interest at which Fed funds are traded. This rate is currently pegged by the Federal Reserve through open-market operations.

FEDERAL HOME LOAN BANKS (FHLB): Government sponsored wholesale banks (currently 12 regional banks), which lend funds and provide correspondent banking services to member commercial banks, thrift institutions, credit unions and insurance companies. The mission of the FHLBs is to liquefy the housing related assets of its members who must purchase stock in their district Bank.

FEDERAL NATIONAL MORTGAGE ASSOCIATION (FNMA): FNMA, like GNMA was chartered under the Federal National Mortgage Association Act in 1938. FNMA is a federal corporation working under the auspices of the Department of Housing and Urban Development (HUD). It is the largest single provider of residential mortgage funds in the United States. Fannie Mae, as the corporation is called, is a private stockholder-owned corporation. The corporation's purchases include a variety of adjustable mortgages and second loans, in addition to fixed-rate mortgages. FNMA's securities are also highly liquid and are widely accepted. FNMA assumes and guarantees that all security holders will receive timely payment of principal and interest.

FEDERAL OPEN MARKET COMMITTEE (FOMC): Consists of seven members of the Federal Reserve Board and five of the twelve Federal Reserve Bank Presidents. The President of the New York Federal Reserve Bank is a permanent member, while the other Presidents serve on a rotating basis. The Committee periodically meets to set Federal Reserve guidelines regarding purchases and sales of Government Securities in the open market as a means of influencing the volume of bank credit and money.

FEDERAL RESERVE SYSTEM: The central bank of the United States created by Congress and consisting of a seven member Board of Governors in Washington, D.C., 12 regional banks and about 5,700 commercial banks that are members of the system.

GOVERNMENT NATIONAL MORTGAGE ASSOCIATION (GNMA or Ginnie Mae): Securities influencing the volume of bank credit guaranteed by GNMA and issued by mortgage bankers, commercial banks, savings and loan associations, and other institutions. Security holder is protected by full faith and credit of the U.S. Government. Ginnie Mae securities are backed by the FHA, VA or FHA mortgages. The term "pass-throughs" is often used to describe Ginnie Maes.

INVESTMENT TRUST OF CALIFORNIA (CalTRUST): CalTRUST is a voluntary pooled investment program for California local governments and special districts authorized by Section 53601(p) of the California Government Code. CalTRUST is administered by the CalTRUST Joint Powers Authority, created pursuant to the provisions of California Government Code Section 6509.7, and whose Board of Trustees consists of local agency treasurers and finance directors. Wells Capital Management serves as the Investment Advisor to each of the CalTRUST funds. Each of the three CalTRUST funds, the CalTRUST Heritage Money Market Fund, the CalTRUST Short-Term Fund and the CalTRUST Medium-Term Fund complies with all of the restrictions and limitations placed on local agency investments by California Government Code Sections 53601 and 53635. The CalTRUST Heritage Money Market Fund provides same-day liquidity, while the CalTRUST Short-Term Fund provides next-day liquidity. The CalTRUST Medium-Term Fund provides monthly liquidity. There are no minimum or maximum transaction limits with the CalTRUST funds. All investment earnings are distributed to participating agencies on a proportionate basis.

LIQUIDITY: A liquid asset is one that can be converted easily and rapidly into cash without a substantial loss of value. In the money market, a security is said to be liquid if the spread between bid and asked prices is narrow and reasonable size can be done at those quotes. **LOCAL GOVERNMENT INVESTMENT POOL (LGIP):** The aggregate of all funds from political subdivisions that are placed in the custody of the State Treasurer for investment and reinvestment.

LOCAL AGENCY INVESTMENT FUND (LAIF): The Local Agency Investment Fund is a voluntary investment alternative for California's local governments and special districts authorized by the California Government Code. The LAIF is managed by the State Treasurer's Office with oversight by the Local Agency

Investment Advisory Board. All securities in LAIF are purchased under the authority of Government Code Sections 16430 and 16480.8.

MARKET VALUE: The price at which a security is trading and could presumably be purchased or sold.

MASTER REPURCHASE AGREEMENT: A written contract covering all future transactions between the parties to repurchase—reverse repurchase agreements that establishes each party's rights in the transactions. A master agreement will often specify, among other things, the right of the buyer-lender to liquidate the underlying securities in the event of default by the seller borrower.

MATURITY: The date upon which the principal or stated value of an investment becomes due and payable.

MONEY MARKET: The market in which short-term debt instruments (bills, commercial paper, bankers' acceptances, etc.) are issued and traded.

NEGOTIABLE CERTIFICATES OF DEPOSIT (NCD): Negotiable Certificates of Deposit are unsecured obligations of the financial institution, bought at par value with promise to pay face value plus accrued interest at maturity. They are high-grade negotiable instruments, paying a higher interest rate than regular CD's.

OFFER: The price asked by a seller of securities. (When you are buying securities, you ask for an offer.) See Asked and Bid

OPEN MARKET OPERATIONS: Purchases and sales of government and certain other securities in the open market by the New York Federal Reserve Bank as directed by the FOMC in order to influence the volume of money and credit in the economy. Purchases inject reserves into the bank system and stimulate growth of money and credit; sales have the opposite effect. Open market operations are the Federal Reserve's most important and most flexible monetary policy tool.

PORTFOLIO: Collection of securities held by an investor.

PRIMARY DEALER: A group of government securities dealers who submit daily reports of market activity and positions and monthly financial statements to the Federal Reserve Bank of New York and are subject to its informal oversight. Primary dealers include Securities and Exchange Commission (SEC)-registered securities broker-dealers, banks, and a few unregulated firms.

PRUDENT PERSON RULE: An investment standard. In some states the law requires that a fiduciary, such as a trustee, may invest money only in a list of securities selected by the custody state—the so-called legal list. In other states the trustee may invest in a security if it is one which would be bought by a prudent person of discretion and intelligence who is seeking a reasonable income and preservation of capital.

QUALIFIED PUBLIC DEPOSITORIES: A financial institution which does not claim exemption from the payment of any sales or compensating use or ad valorem taxes under the laws of this state, which has segregated for the benefit of the commission eligible collateral having a value of not less than its maximum liability and which has been approved by the Public Deposit Protection Commission to hold public deposits.

RATE OF RETURN: The yield obtainable on a security based on its purchase price or its current market price. This may be the amortized yield to maturity on a bond the current income return.

REPURCHASE AGREEMENT (REPO): A holder of securities sells these securities to an investor with an agreement to repurchase them at a fixed price on a fixed date. The security “buyer” in effect lends the “seller” money for the period of the agreement, and the terms of the agreement are structured to compensate him for this.

REVERSE REPURCHASE AGREEMENT (REVERSE REPO): A reverse-repurchase agreement (reverse repo) involves an investor borrowing cash from a financial institution in exchange for securities. The investor agrees to repurchase the securities at a specified date for the same cash value plus an agreed upon interest rate. Although the transaction is similar to a repo, the purpose of entering into a reverse repo is quite different. While a repo is a straightforward investment of public funds, the reverse repo is a borrowing.

SAFEKEEPING: A service to customers rendered by banks for a fee whereby securities and valuables of all types and descriptions are held in the bank’s vaults for protection.

SECONDARY MARKET: A market made for the purchase and sale of outstanding issues following the initial distribution.

SECURITIES & EXCHANGE COMMISSION (SEC): Agency created by Congress to protect investors in securities transactions by administering securities legislation.

SEC RULE 15(C)3-1: See Uniform Net Capital Rule.

STRUCTURED NOTES: Notes issued by Government Sponsored Enterprises (FHLB, FNMA, SLMA, etc.) and Corporations, which have imbedded options (e.g., call features, step-up coupons, floating rate coupons, derivative-based returns) into their debt structure. Their market performance is impacted by the fluctuation of interest rates, the volatility of the imbedded options and shifts in the shape of the yield curve.

TREASURY BILLS: A non-interest bearing discount security issued by the U.S. Treasury to finance the national debt. Most bills are issued to mature in three months, six months, or one year.

TREASURY BONDS: Long-term coupon-bearing U.S. Treasury securities issued as direct obligations of the U.S. Government and having initial maturities of more than 10 years.

TREASURY NOTES: Medium-term coupon-bearing U.S. Treasury securities issued as direct obligations of the U.S. Government and having initial maturities from two to 10 years.

UNIFORM NET CAPITAL RULE: Securities and Exchange Commission requirement that member firms as well as nonmember broker-dealers in securities maintain a maximum ratio of indebtedness to liquid capital of 15 to 1; also called net capital rule and net capital ratio. Indebtedness covers all money owed to a firm, including margin loans and commitments to purchase securities, one reason new public issues are spread among members of underwriting syndicates. Liquid capital includes cash and assets easily converted into cash.

YIELD: The rate of annual income return on an investment, expressed as a percentage. (a) INCOME YIELD is obtained by dividing the current dollar income by the current market price for the security. (b) NET YIELD or YIELD TO MATURITY is the current income yield minus any premium above par or plus any discount from par in purchase price, with the adjustment spread over the period from the date of purchase to the date of maturity of the bond.

Budget Highlights

This section summarizes key budget policy issues imbedded in the detail of the line items.

Balanced Budget

In accordance with the Statement of Financial Principals, revenues are conservatively estimated, and expenditures are always limited to the available funds, except when City Council votes to use reserves to balance the budget. The budget is broken into a number of different funds based upon legal requirements, and functional or operational needs of the City. The largest and most flexible fund is the General Fund, which includes most tax revenue, licenses, franchise fees, charges for services, and other sources that can normally be used for any governmental purpose.

There are several other operating funds that must be balanced, including the transit fund, and assessment districts. Considerable effort has been invested in recent years to balance these funds. Transit operations were reorganized and fares increased in an effort to hold expenses within available revenues and to meet fare box ratio requirements for federal and state grants. The Lighting District was audited and corrections were made to balance current and ongoing expenditures and to eliminate accumulated debts that could not be paid from operations through a cash transfer from the General Fund in 2015. Finally, the owners of downtown properties agreed to a series of increases to the Plaza Maintenance District assessment in an effort to eliminate the fund's operating deficit over a five-year period.

Infrastructure Needs

During periods of economic downturn and falling revenues, expenditures must be reduced to conserve cash. Often, cities try to maintain services to citizens so they reduce other expenditures such as maintaining infrastructure. "Deferred maintenance" occurs when sufficient resources are not committed to maintaining or improving infrastructure. Deferred maintenance of infrastructure, particularly roads and facilities, is a future liability that does not show up on the City's balance sheet. Since 2012, City Council has made it a priority to catch up on this deferred maintenance by budgeting additional appropriations to address this need. In 2012, City Council started allocating a portion of transient occupancy tax (TOT) revenues to capital projects, which include infrastructure. This allocation grew to 20% of TOT revenues transfer to the Capital Improvement Fund (CIP). In March of 2020, a 5% TOT increase passed called Measure "C". In the same month, a social distancing order was place on all travels due to the coronavirus pandemic outbreak.

City of Ojai

TOT being the largest revenue source for City of Ojai, recognizing this fact, Council approved the reduced TOT transfer of approximately 11% for FY20-21. For FY21-22, the TOT transfer is on hold to balance the budget and instead continue to support Community non-profit groups.

Conservative Revenue Estimates

The FY21-22 revenue estimate for the General Fund is approximately \$10.8 million. The City's "Big Three" sources of revenue, Transient Occupancy Tax (TOT), Sales Tax, and Property Tax account for approximately \$6.7 million of the General Fund revenues. TOT accounts for 42% of "Big Three" revenues and 26% of total General Fund revenues. FY20-21 was an unstable year for revenue forecast with multiple shut down orders due to the coronavirus outbreaks. FY20-21 estimated actual and FY21-22 budget includes one-time revenues from County of Ventura, State of California, and Federal grants. FY21-22 looks promising as Ventura County moves into the yellow tier, allowing greater capacity for indoor gathering and events; however, it is the City's Finance policy to be conservative when estimating revenues. Some businesses did not renew their business license in January 2021, more reasons to be conservative when estimating revenues. This year's budget also includes one-time revenues from County of Ventura, State of California, and Federal grants. Staff will provide regular updates and impacts to our City resources and uses throughout the year.

Transient Occupancy Tax receipts growth has been increasing by an annual average of approximately 4% per year since the fiscal year ended June 30, 2014. The City experienced how volatile TOT revenue can be and as tourism is recovering from the coronavirus pandemic, TOT revenue estimate remains conservative. Ojai Valley Inn and Spa remains the top producer of TOT revenue. One hotel that closed since the Thomas Fire in FY2017-18 remains closed during FY20-21, however, it may open part of FY21-22.

Sales tax revenue is anticipated to recovery at the same speed as TOT revenue over next several years. Projected sales tax revenue is based on information from our contracted sales tax consultant.

City of Ojai

Secured property tax is the largest portion of property tax, which is the least volatile of the “big three” revenues. In addition to secured property tax, the city also receives property tax from the former Redevelopment Agency (“RDA”) as residual redevelopment property tax trust fund money. This is former RDA tax increment revenues less distributions to school districts and special districts before the funding comes to the city. Annual growth in secured property tax has averaged 4%. Staff have conservatively revised estimated property tax at a 2% growth from actual FY20-21 amount.

License and permit revenues have been volatile over the last five years. Staff is projecting FY21-22 budget to be in line with current year receipts. Increases and decreases by type is a result of completed or known projects in the works. These revenues are primarily from planning, development, and building & safety fees that result from development and construction activities in the city.

Staffing

Staffing levels has been at very lean level for several years. FY21-22 budget attempts to restore staffing levels for all departments. The goal remains to reduce the City’s levels of contract staffing where it makes sense to maintain the city services.

Code enforcement and short-term rental enforcement is provided by a contractor, which will help to address the City Council’s goal of more proactive short-term rental and code enforcement, including time spent on weekends and evenings to ensure consistent code compliance. The code enforcement officer has been especially beneficial during the coronavirus social distancing order.

Employee Compensation

The minimum wage has been increasing significantly and will continue to increase until it reaches \$15 per hour. This has primarily affected staffing costs in the recreation department, which typically employs paid part-time and seasonal staff to carry out these programs. As minimum wages continue to increase, staff will need to either raise the fees charged for programs and classes, decrease the number of employees staffing these programs and classes, or eliminate some of the classes that cannot recuperate the cost

City of Ojai

of providing them.

The Public Employees Retirement System and State Legislature have made actuarial and structural changes to the retirement system that will result in increasing the city's contribution to pensions for several years. In addition to these changes, the CalPERS board lowered the discount rate used in computing annual ongoing costs and unfunded pension liabilities. This new change will be phased in over five years beginning in fiscal year 2017-18 and will increase the City's annual PERS contribution by an average of \$150,000 annually. Current PERS costs are comprised of the normal PERS rates for employees and an annual amortization of the unfunded PERS liability. Classic employees now contributes 4% of the employee portion and PEPRAs employees contributes the entire 7.73% employee portion of the PERS contribution. The increased employee contribution to the PERS cost has resulted in a \$10,000 reduction in the normal PERS cost to approximately \$268,000. The unfunded liability payment is estimated to increase approximately \$55,000 to \$561,000, depending on the classifications. These costs were built into the benefit expense line items for each operating department of the City and the unfunded liability is included in the Non-departmental budget.

As noted in the Budget Message, prior to 2012, the City offered a very generous post-retirement medical benefit (OPEB) that was funded on a pay-as-you-go basis. This benefit was significantly reduced to the minimum allowed by the Public Employees Health System for employees hired after 2012. However, the costs will go up before they go down as employees still covered by the more generous benefit retire. The actuarially computed liability for retiree medical costs has been increasing over the past few years as governmental and financial accounting standards boards have changed the requirements for computing and reporting these costs for inclusion in the City's financial statements. Some of these costs are hard costs (i.e. amounts actually paid for medical insurance premiums for retired employees and their dependents) and others are amounts computed by actuaries based upon complex computations and assumptions. Currently, the City pays more than \$200,000 annually for retiree medical premiums. The City has been

City of Ojai

contributing \$100,000 per year to the OPEB trust for future retiree medical premiums. These contributions have begun a trend that will reduce the unfunded actuarial liability to the level of plan assets in 2023 and nearly eliminated in 2036. This budget includes the annual \$100,000 contribution prefunding of the retiree medical OPEB trust.

Unfunded Actuarial Liability (UAL)

Equipment Replacement Reserves

To prepare for timely replacement of equipments and vehicles, a sinking fund was established to provide for the timely replacement of vehicles, technology, and major pieces of equipment. The charges to departments total \$40,000 annually. Staff has developed a multi-year plan for upgrading our computers, software applications, and other IT equipment. Staff has developed a replacement schedule for the tools and equipment needed for maintenance crews, non-office personnel, and office staff. In prior years, the budget included charges to departments totaling about \$65,000 for vehicle replacement and \$40,000 for equipment and technology replacement. This budget does not include the total transfer to this sinking fund. This reduction an effort to balance General Fund.

Community Support

In past years the Council has provided financial support to the Ojai Valley Museum, Ojai Valley Green Coalition, the Chamber of Commerce, the Independence Day Committee, and the Arts Commission. These allocations should be reviewed in detail annually and are not guaranteed from year to year. To balance the current year budget and support non-profit local organizations, Council voted to hold the annual TOT transfer to Capital Improvement Projects fund. A total of \$236,840 was allocated to Community groups in this Budget. This budget includes financial support of the following groups: Ojai Valley Museum, the Chamber of Commerce, the Independence Day Committee, the Arts Commission, and Ojai Valley Fire Safe Council.

City of Ojai

Capital Improvement Project (CIP)

The CIP plan provides the mean to plan for high priority capital improvements on a multi-year basis. With volatile Transient Occupancy Tax (TOT) collected in FY20-21, the planned CIP work was postponed until May when revenue appears to be normalizing. Staff anticipates that the CIP fund will end the fiscal year 21-22 with a positive balance of \$458,000. Measure “C” will help the City continue these projects next fiscal year and will allow Ojai to begin work on streets and road maintenance, parks maintenance, code enforcement, and climate mitigation that would otherwise be deferred. The City’s CIP budget, including vehicle and equipment replacement, totals approximately \$3.8 million, utilizing Measure “C” funds and various grants.

Re-start, Refresh, and Resilience

This past year and current budget year exemplifies the City Council’s ability to come together, adjusting quickly during hard times and making hard decisions. Ojai residents passed Measure C and Measure G at a critical time. The City did not have to take on additional financial burden or use furlough as a solution to weather the economic downturn. It is now time to begin rebuilding our reserves to prepare for any unknowns that may affect the City’s ability to respond quickly.

City of Ojai

Reserves

The statement of Financial Principles establishes a “minimum reserve” equal to 50% of budgeted General Fund expenditures. The amount of reserves is equal to the unassigned fund balance in the General Fund plus the Libbey Bowl Fund, less loans made to the Street Lighting Fund and Plaza Maintenance Fund.

Deferred Revenue

The City holds deposits and money which is provided for specific purposes. This money is defined under governmental accounting standards as “deferred revenue” and it does not appear elsewhere in the budget. The money and its purpose is reviewed annually by our independent auditor and reported in the Financial Statement as “Unearned revenue” on the Statement of Net Asset and as “Deferred Revenue” on the Governmental Balance Sheet. Community Development fee deposits are also considered deferred revenues.

City of Ojai

Revenue – General Fund

The General Fund is the primary operating fund of the City. Revenues come from Taxes, Franchise Fees, Licenses and Permits, Fines and Forfeitures, Other Agencies, Charges for Services, and Recreation Program Charges.

Taxes- Property Tax is collected by the County and allocated to taxing agencies in accordance with State law and voter approved constitutional amendments (Proposition 13). The Transient Occupancy Tax of 10% is collected by lodging businesses and remitted directly to the City. Rate increases require voter approval. Sales tax is collected by the State and a portion is allocated to the City in accordance with State Law. Additional local sales tax requires voter approval. June 2019, voters approve tax on Cannabis businesses. December 2020, City Council approved a 3% tax on cannabis sales. Business License tax is collected directly by the City.

Franchise Fees- Franchise fees from electric, gas, water, cable TV, petroleum, and solid waste utilities are collected directly by the City for the privilege to run pipes and lines through City property in accordance with negotiated franchise agreements and State law.

Licenses and Permits- Planning and building permits are the primary revenues in this classification.

Fines and Forfeitures- This is a relatively minor category which includes vehicle fines and parking citations.

Other Agencies- Grants and other revenues from the State and other agencies may be directed to the General Fund or may go to special funds earmarked for specific purposes.

Charges for Services- In accordance with federal requirements, the City allocates its general overhead to other funds which contain federal grants, benefit assessments, Successor Agency administration and other activities to which overhead applies. This shows up as General Fund revenue in this category. Other revenue in this category includes the payments from CalTrans for maintenance of the Maricopa Highway median.

Recreation Program Charges- Recreation charges have been listed separately to help assess the degree to which the recreation programs recover costs.

City of Ojai

Revenue & Expenditures – Special

Special Revenue Funds are required to receive and track money that is legally restricted to specific activities or objectives in accordance with federal, state, and local government regulations, restrictions, or limitations. Therefore, the Special Revenue Funds are set up as self-balancing accounts, each with its own assets, liabilities, fund equity, revenues and expenditures, which are segregated from the City's General Fund. The City has the following Special Revenue Funds:

Transient Occupancy Tax (TOT) Fund (Measure C Fund) (012) – An additional 5% tax on hotel guests unanimously passed by Ojai residents. These funds are earmarked for capital improvement and maintenance projects, such as streets, parks and trees, fire mitigation, code enforcement, and climate mitigation.

Street Improvement Fund (Gas Tax Fund) (022) - The State of California assesses a tax on gasoline purchases as authorized by Sections 2103, 2105, 2106, 2107 and 2107.5 of the Streets and Highways Code. A portion of this tax is allocated to the City based on a formula established by State law. These funds are earmarked for maintenance, rehabilitation or improvements of public streets.

Local Transportation Equipment Replacement Fund (024) - These funds were set aside from the Local Transportation Fund for maintenance and replacement of the Transportation Fund's trolleys and other transit equipment needs.

Drainage Fund (025) - Drainage fees are charged to developers to assist the City in building future qualified drainage projects.

Transportation Development Act, (TDA) Article 3, Bicycle and Pedestrian Fund (026) - The City has received competitive grants from the Ventura County Transportation Commission (VCTC), which awards funds to various agencies in the County. The funds are spent by the agencies in accordance with Section 99234 of the Public Utilities Code, which permits the funds to be used only for pedestrian and bicycle lane maintenance and improvements.

Capital Improvement Project Fund (031) - This fund receives revenue to fund the five year capital improvement plan. In prior years, 20% of transient occupancy tax was deposited directly into the fund. FY21-22 budget does not include the TOT transfer to CIP fund. Measure C tax is used to support capital improvement and maintenance projects, such as streets, parks and trees, fire mitigation, code enforcement, and climate mitigation. Other revenues include grants and donations.

City of Ojai

Park Acquisition Fund (032) - Park acquisition fees are charged to developers as part of the developer fees to assist the City in building future qualified City parks.

Equipment Replacement Fund (033) - This is a new fund for replacement of vehicles, technology, and efficiency enhancing equipment. Each department or division is assessed a charge for vehicles and equipment used in its operations.

Street Lighting District Fund (050) - The City established this district to provide street lighting operations and repairs of the City's street lights. This Fund is used to account for the assessments received for, and expenditures related to, the operations of this district.

Library Special Tax Fund (051) - In 1996, Ojai residents approved a special library parcel tax that currently generates approximately \$106,000 in revenues. This Fund is used to account for the library special tax revenues and the operations of the fund.

Plaza Maintenance Fund (052) - The City established this district to provide maintenance of the Arcade Plaza. This Fund is used to account for the assessments received for, and expenditures related to, the operations of this district.

City of Ojai

Revenue & Expenditures – Enterprise

The City maintains two individual enterprise funds. The enterprise funds are organized and presented in the same way as a business. The City uses enterprise funds to account for its local transportation service operation and its public cemetery operation. These funds are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenue and expenses, which are segregated for the purpose of carrying on specified activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

- **Local Transportation Fund (023)**: This fund provides transportation services within the Ojai city limits and unincorporated Ventura County areas per a service contract with the county. This fund receives its operating resources from the Federal Transportation Administration (FTA) and the Gold Coast Transit District (GCTD) as a pass-thru of Ventura County Transportation Commission (VCTC) Transportation Development Act (TDA) funds. It also receives operating expense reimbursements from the county for its share of costs (per service contract with the County of Ventura), and its collections of passenger fare box fees. The uses of this fund are subject to the TDA, FTA, and local regulations and restrictions.
- **Cemetery Fund (70)**: This fund accounts for the Nordhoff Cemetery operations. The revenues are from sales of cemetery plots and the expenses are related to burial services and regular maintenance of the cemetery.

City of Ojai

Administration

Administrative operations include the legislative, chief executive, and finance functions of the City. Included are the elected positions: City Council Members, City Clerk and City Treasurer. The City Manager and City Attorney are appointed by the City Council.

City Council: In December 2018, the City Council adopted an ordinance to change the City's electoral system from at-large to by-district elections. Previously, the City Council had consisted of four at-large members, elected every four years, and a directly-elected Mayor elected every two years. Beginning with the municipal election in November 2020, the four members of the City Council shall be elected on a by-district basis from the four (4) City Council districts established by the City per Chapter 6, Article 1, section 2-6.103. The Council is responsible for the legislative functions of the City. Regular City Council meetings are scheduled to be held the second and fourth Tuesday of each month starting at 7 p.m.

In order to secure greater input regarding issues of community interest and concern, the City Council has created the following appointed bodies: Arts Commission, Historic Preservation Commission, Parks and Recreation Commission, Planning Commission, and the Building Appeals Board. As specific issues are identified, a commission may form an ad-hoc subcommittee to address said issues.

City Treasurer: The City Treasurer is elected to serve a four-year term. The Treasurer's responsibilities include: receiving for safekeeping all funds coming into the City treasury; monitoring compliance with laws governing public funds; preparation of monthly investment reports; monitoring cash flow; conducting periodic audits of revenue collections; and review of the annual independent audit.

City Attorney: The City Attorney advises the City officers in all legal matters pertaining to the business of the City. The City Attorney does not, however, provide advice to the public, even on matters involving the City. The budget funds legal service related to general City activities and for civil litigation in which the City is involved. City Attorney services are provided under a contract with a private law firm. In addition, the budget includes funds for retention of other attorneys when specialized services are needed or a

City of Ojai

conflict of interest exists.

City Manager: Under the provisions of the Municipal Code, the City Manager is responsible for the administrative functions of the City. With the exception of the City Clerk and City Treasurer—both of whom are elected—each City department head reports to the City Manager who in turn reports to the City Council. The Assistant to the City Manager, City Manager Office Specialist and Records Manager also report directly to the City Manager.

The Assistant to the City Manager handles the City's human resources/personnel and risk management functions, and also serves as the staff liaison to the Arts Commission, Disaster Council, and Building Appeals Board. Other duties include special projects, serving as the City's public information officer including social media, film permit officer, and coordinating the City's emergency disaster response plans. The Assistant to the City Manager also represents the City at Economic Development Collaborative of Ventura County (EDC-VC) meetings, and Ventura Council of Governments (VCOG) meetings. The City Manager's Office Specialist coordinates and schedules activities for the City Manager's office and serves as the City Manager's direct clerical assistant. The City Manager's Office also oversees the City's Building Department, and is responsible for management of Libbey Bowl.

Finance Department: The Finance Department performs all accounting services for business licensing; payroll; billing and accounts receivable; accounts payable; cash flow, and cash and investment management. It also prepares and monitors

financial reporting; budgeting; internal control evaluation, as well as prepares monthly Treasurer's Reports and annual financial reports, federal and state payroll tax returns and annual sales tax returns. Other primary responsibilities are maintaining the accounting records in accordance with generally accepted accounting principles; City policies, as well as applicable State and Federal laws and regulations and governmental accounting standards established by the Government Accounting Standards Board and Financial Accounting Standards Board. The Finance Director serves as the City Investment Officer and purchases investments allowed under the City's Investment Policy. All Finance Department staff report to the Finance Director, who reports directly to the City Manager.

City of Ojai

City Clerk: The City Clerk Department operates under the auspices of an elected City Clerk. Because the City Clerk's position is part-time, the day-to-day responsibilities of the City Clerk Department are performed by the Deputy City Clerk/Records Manager, under the direction of the City Manager. The essential functions of the City Clerk Department are election administration; serving as Clerk to the City Council, and managing the City's official records and archives.

Elections administration encompasses the nomination process; the filing of candidates' statements and other reports required by the Fair Political Practices Act; contracting with the County of Ventura for election processes including setting up Election Day polling places, ballot counting, and certification of election results.

As Clerk to the City Council, the Deputy City Clerk prepares Council agendas and minutes and processes the resolutions and ordinances adopted by the Council. The Deputy City Clerk verifies legal notices have been posted or published, and completes the necessary arrangements to ensure effective Council meetings. The Deputy City Clerk assists all departments in adherence to Ralph M. Brown Act open meeting laws and is entrusted with the responsibility of recording the decisions which constitute the building blocks of our representative government.

As Records Manager, the Deputy City Clerk is responsible for preservation of all official City documents and other records. Responsibilities include administering the California Public Records Act, records retention and destruction, and compliance with the various state laws pertaining to records management.

Building Department: The Building & Safety Department is responsible for processing building permits; plan checks; conducting site and building inspections; monitoring construction activities, and enforcing Ojai's building codes. The Building Official also provides staff support to the Building Appeals Board. The Building Official reports directly to the City Manager. Currently, the City contracts for the Building Official.

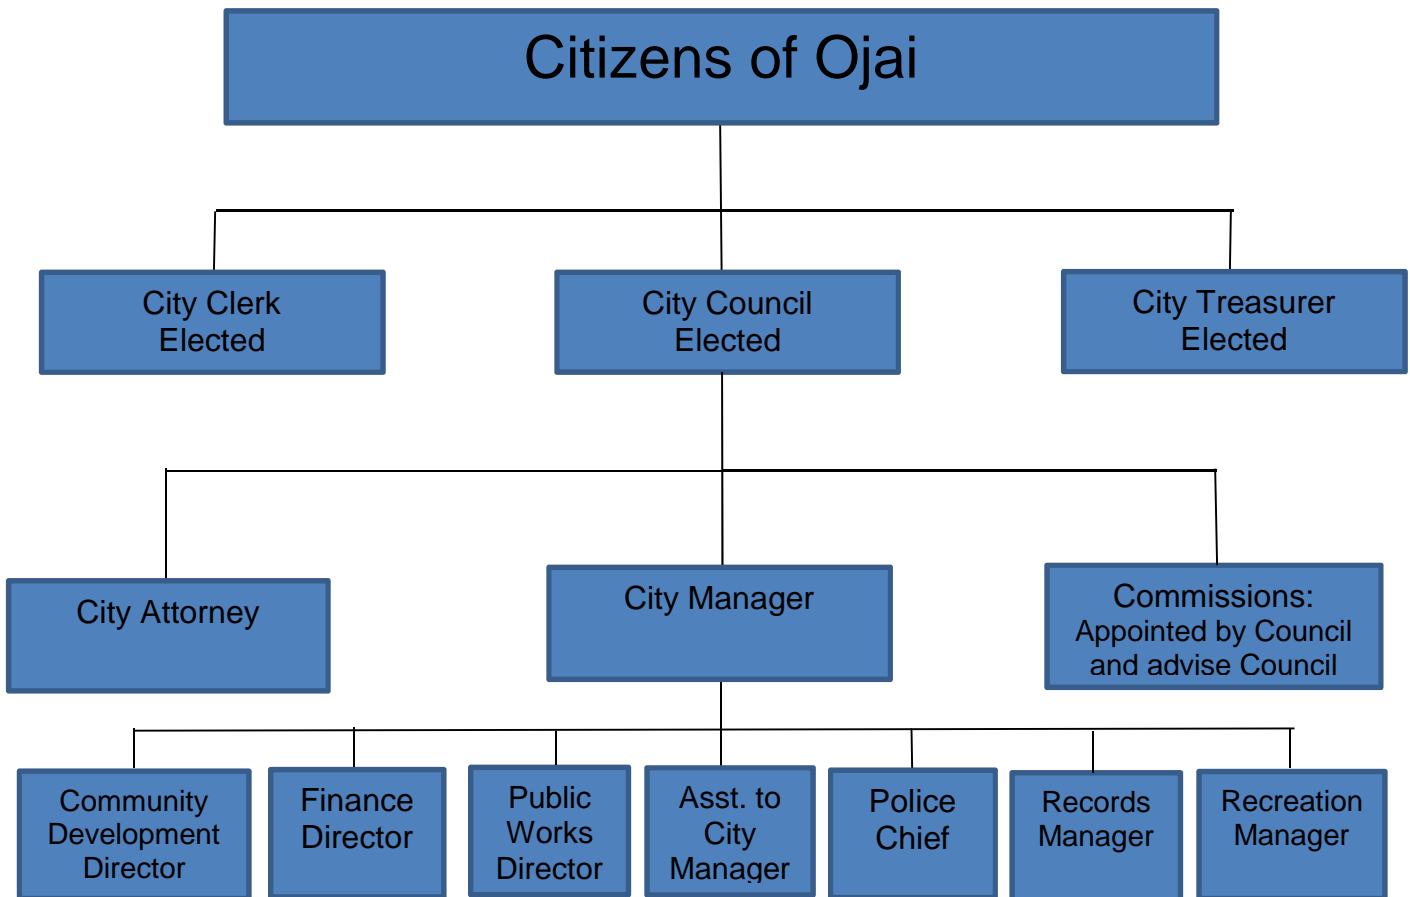

Code Compliance Division:

The Building Department's Code Compliance Division is responsible for ensuring compliance with all of the City's Municipal Codes. Currently, the City contracts for part-time code compliance services.

City of Ojai

Animal Control Services

The Building Department coordinates with Ventura County Animal Services (VCAS) for enforcement of vaccination and licensing requirements; collection of abandoned and stray animals as well as those that are sick, injured, or dead; and enforcement of leash laws, animal nuisance investigations, and enforcement of other pertinent animal control regulations. The City's contract with VCAS is coordinated through the City Manager's office.

City of Ojai

Police

The City of Ojai contracts with the Ventura County Sheriff's Office for traditional police services. The use of specialized units, such as SWAT, Bomb Squad, Hostage Negotiations, Major Crimes Investigations, Professional Standards, Search and Rescue, and Air Support, is also available through the police contract. The City is divided into two patrol beats that are covered 24/7 by deputies working 12-hour shift schedules. The police benefit from the high degree of volunteerism present in the Ojai community by using the dedicated Ojai Police Volunteers to perform many of the jobs deputies no longer have time to perform. The Ojai Police Department is responsible for the safety and welfare of the citizens of Ojai, and department members strive to prevent crime, enforce the law, investigate criminal activity, and apprehend offenders, so that Ojai remains a safe place to live, raise a family, run a business or visit on vacation.

The contract police service benefits have been demonstrated through the response and recover to the Thomas Fire, the preparation and efforts made in flood protection, as well as during COVID social distancing order. The county utilizes resources from Sheriff's Office of Emergency Services, county geologists, and a contracted meteorologist to provide the most accurate information possible for determinations on evacuation orders and road closures. During the Thomas Fire an additional 50 deputies, were deployed in the Ojai Valley to protect life and property after the evacuations began. During the current COVID-19 pandemic, additional Police deputies were not necessary, but the department did take part in the patrol process to ensure social distancing order.

The Ventura County Sheriff's Office is comprised of four divisions. An Assistant Sheriff oversees Detention Services and Support Services while another Assistant Sheriff oversees Patrol Services and Special Services.

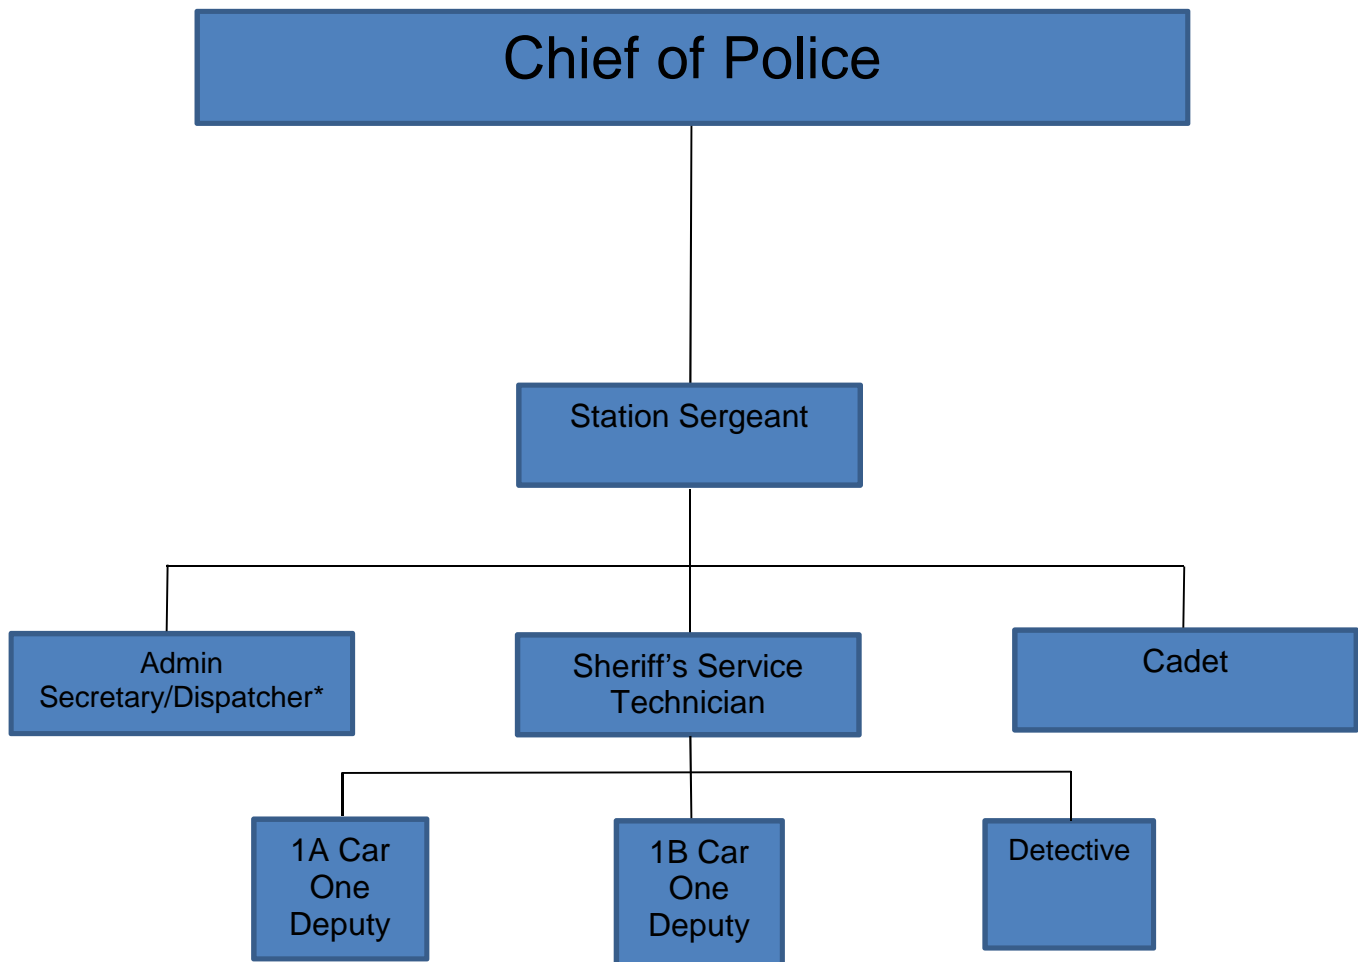

The Patrol Division services the County of Ventura and the five contract cities of Camarillo, Fillmore, Moorpark, Ojai, and Thousand Oaks, as well as the unincorporated areas of Ventura County. Within Patrol are also the Mounted Unit, K-9 Unit, Sheriff's Communications Center and the Office of Emergency Services.

The Detention Division is the largest of the four divisions in both personnel and budget. This includes all jobs related to inmate services such as reception, booking and classification, jail services, courtroom and pre-trial security. Currently there are three jail facilities.

The Special Services Division includes the Air Unit, Major Crimes, Narcotics, Intelligence, Bomb Squad, S.W.A.T., Hostage Negotiations, Forensic Science Laboratory, Information Systems and the Evidence Unit.

City of Ojai

Our Support Services Division includes important internal departments that are essential to the structure and operational needs of VCSO across a wide variety of areas. These departments include the Business Office, Human Resources, Professional Standards Bureau, Records, and our Training Academy Staff.

*City of Ojai Employs Admin. Secretary/Dispatcher (50% paid by County). All other members of the Police Department are furnished via contract with the Ventura County Sheriff's Department. This Department has 24-hour staffing.

City of Ojai

Community Development

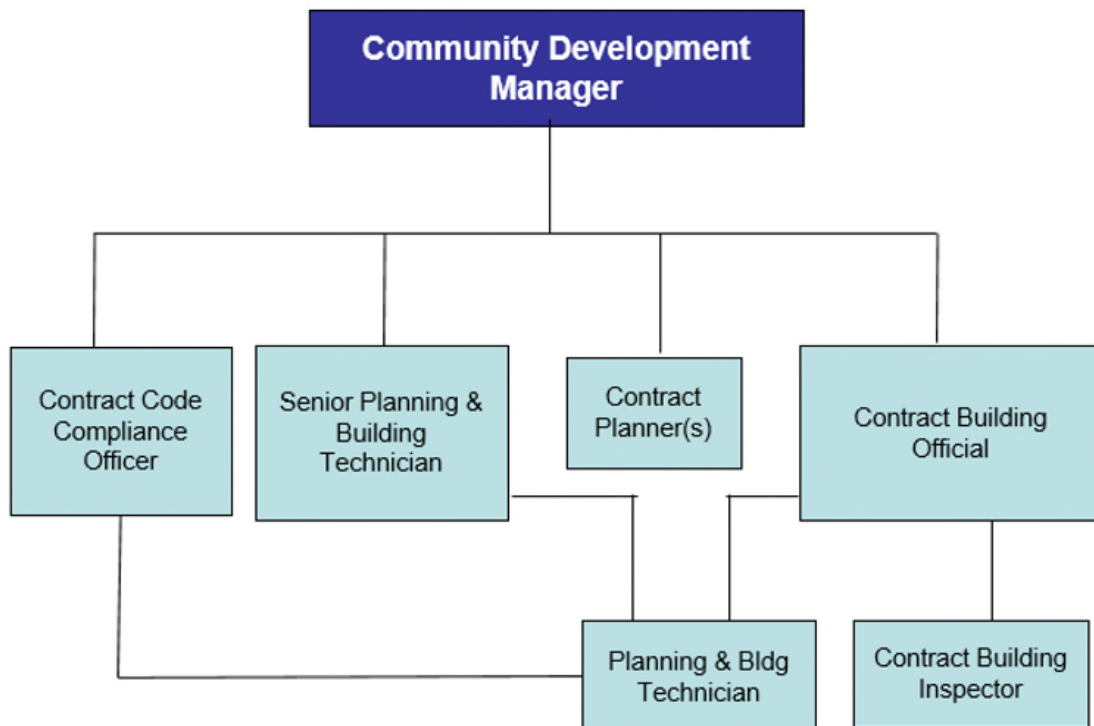

The Community Development Department is primarily responsible for the oversight and management of the City's long-range and current planning functions, including the review of proposals affecting land use, development and design, and the environmental review (CEQA) process.

The Community Development Department's primary role is to ensure that all development is consistent with the policies, goals and objectives of the General Plan, the General Plan being the City's long-term blueprint for the development, conservation and use of land within the City. The Department works closely with Ojai residents, property owners and business operators, developers, architects and related design professionals who contribute to the appearance and operation of the City's physical environment. Additionally, the Community Development Department acts as a liaison and provides technical support to the City Council, Planning Commission and Historic Preservation Commission.

The Department implements the General Plan through the Zoning Ordinance and related chapters of the Municipal Code, various design guidelines and other regulatory tools. These documents provide the regulatory framework for land use decisions within the City. The Department is also responsible for, or involved in, analyzing environmental and regional issues, working with other public agencies on a wide range of topics, such as transportation, housing, air quality, open space preservation, historic preservation, regional planning and safety. The Department, in conjunction with the City's Building Division and Public Works Department, assists the public regarding allowable development and land uses, answers general Zoning questions, and issues ministerial and minor administrative permits.

City of Ojai

City of Ojai

Recreation

The Recreation Department is responsible for planning, organizing, implementing and evaluating recreational programs and activities for the community. The Department offers comprehensive programs for a variety of age groups with many activities scheduled at the Boyd Center, Sarzotti Park, and at Ojai Unified School District facilities. Recreation programs include youth day camps, leagues for youth and adult sports, senior fitness, and youth and adult enrichment classes. Summer aquatic lessons and public swim are offered at the Villanova Preparatory High School. Youth and adult tennis lessons are held at the Libbey Park tennis courts. For the past three years, the Recreation Department has collaborated with the Ojai Unified School District to operate their after school program at one their elementary schools.

The role of the Recreation Department personnel is to plan, schedule and take reservations for many different programs, classes, camps and events. The department prepares ball fields for a variety of sports, and sets-up and dismantles equipment for gymnastics, basketball and other programs at Sarzotti Park.

Additionally, the department maintains schedules and manages reservations for the following recreation facilities: the John G. Martin Gymnasium, Sarzotti Park Picnic Areas and Ball-fields, the Multi-purpose, Art and Game Rooms (Boyd Center), the snack bar and the Libbey Tennis Courts.

The Department is also responsible for organizing and hosting Ojai Day, an annual community event held downtown on the third Saturday in October. Since 2014, the Recreation Department offered its First Annual Open House to the community, which has continued every year since then. The Department, which is overseen by the Recreation Manager, has three full-time employees, and over 100 volunteers, seasonal and part-time employees and independent contractors. Programs and activities are conducted at Sarzotti Park and other off-site locations. The administrative offices are located at the Jack Boyd Community Center. The Recreation Manager serves as staff liaison for the Parks and Recreation Commission.

Prior to the COVID-19 pandemic, the Recreation Department has brought in revenues of over \$500,000, however, this current year revenue is below \$90,000 and expected to at

City of Ojai

least double the FY20-21 revenues in fiscal year 2021/22. On average, the department recovers approximately 60 - 65% of its overall operating costs, this next fiscal year, the department may recover 20% of it's overall operating costs as the City recovers from COVID-19 social distancing experience. The City is facing a changing demographic with a decreasing youth population, and an increasing adult and senior population. As a department, we are recognizing those trends, and will be looking to expand our adult and senior programming.

City of Ojai

Public Works

The responsibilities of the Public Works Department encompass an array of services including the following:

Maintenance

The Public Works crew routinely performs street maintenance (signs, striping, potholes, crack sealing, etc.), storm drain clearance, City-wide landscaping, tree maintenance/trimming/care and janitorial services. The Department provides facility maintenance and landscaping for City facilities, including: City Hall, the “Y” at Maricopa Highway (SR 33) and Ojai Avenue (SR 150), Libbey Bowl, Boyd Center/Martin Gym, Libbey Park, Sarzotti Park, Skateboard Park, Rotary Park, Cluff Vista Park, and Daly Park. The crew supports, but is not ultimately responsible for, the maintenance of Caltrans right of way, including

landscaping, trees, and sidewalk maintenance. The Department is also responsible for the Police Department and Museum building exteriors and parking lots.

Transportation (Trolley)

The Trolley Department operates the Ojai Trolley Service and coordinates with Gold Coast Transit. This group includes a supervisor and over a dozen part-time trolley drivers who are closely monitored for compliance with State and Federal regulations, and other mandates.

Assessment Districts

Public Works manages and administers two Lighting Districts as well and the Plaza Maintenance District. This involves managing/maintaining/improving facilities, producing annual engineering reports, assessing fees through the County Tax rolls and public outreach for assessment increases.

Program and Project Management and Engineering Services

Public Works manages the City’s capital improvement projects through conceptual, permitting, design and construction phases. It also manages AB 939 (solid waste) and NPDES (storm water runoff) and FEMA (flood) programs. Additionally, the department provides engineering services for the Community Development for residential and

City of Ojai

commercial projects.

Computer and Communications Infrastructure

Computer and communications infrastructure for City facilities and staff are managed and maintained by the Public Works Technical Support Specialist, who also performs other electrical and energy-efficiency related work for City facilities.

Grant Management, Acquisition and Contract Management

Public Works manages and administers a variety of grants and construction projects for various Federal and State grants, primarily for capital improvement projects.

Permits

Encroachment, special event, park/facility rental, water well and outdoor dining permits are administered by Public Works staff. Encroachment permits are the most frequently issued permits with permits issued to utilities for repairs and improvements in the public right of way with conditions and inspections by staff, and various other permits issued to individuals/business including driveway/sidewalk/curb permits.

Nordhoff Cemetery

Public Works maintains the extensive plot and interment records for the Nordhoff cemetery in addition to maintaining the cemetery grounds and providing burial service.

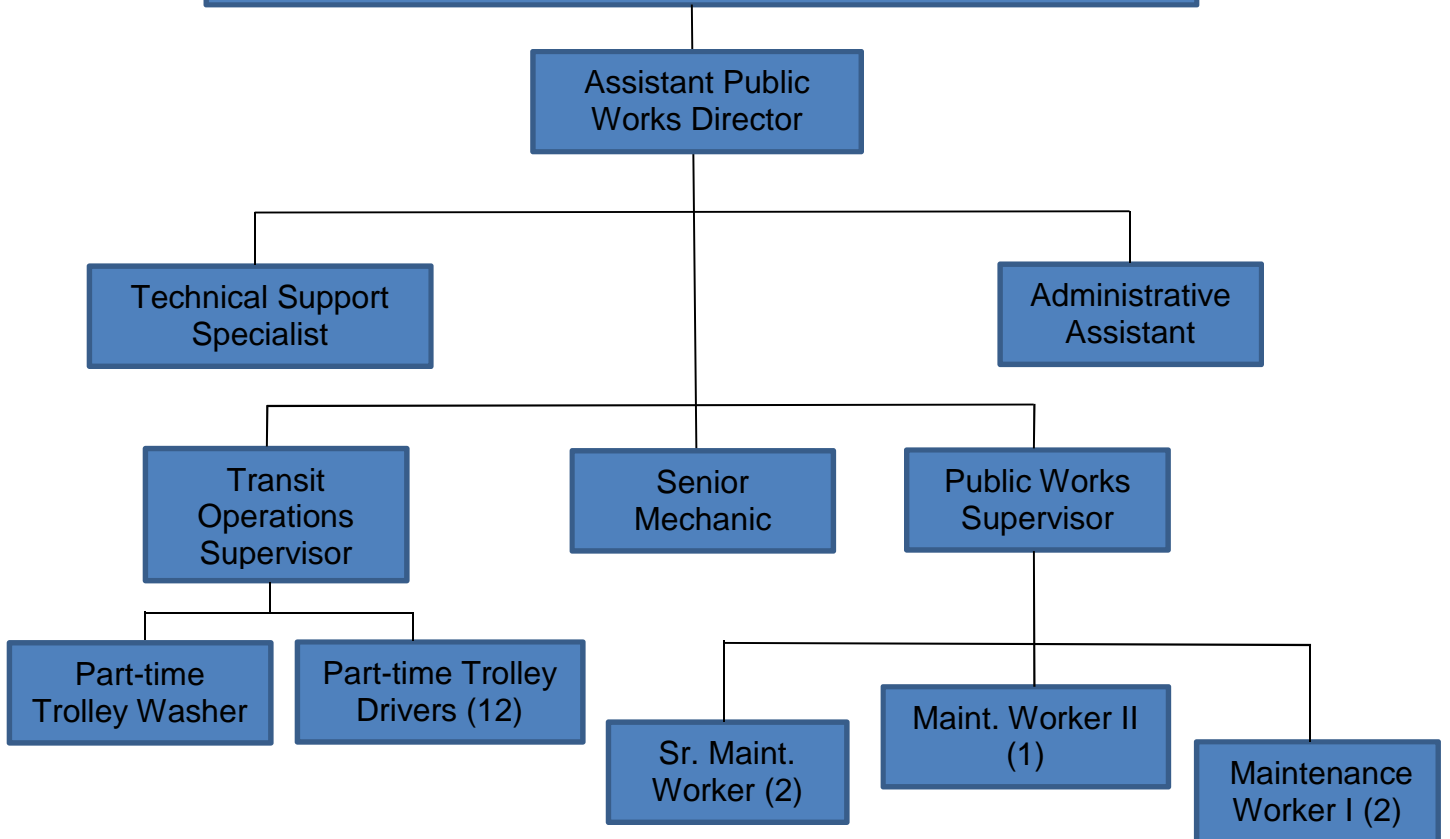

Fleet Maintenance

The Public Works Department maintains all City vehicles, including 6 trolleys, 4 recreation vans, 17 trucks, bucket trucks (for parking/street/park light access and tree pruning), a skid steer, a backhoe, and additional specialized vehicles/equipment.

City of Ojai

Public Works Director/City Engineer

City of Ojai

Redevelopment Successor Agency Budget

The former Redevelopment Agency was terminated by State Law on January 31, 2012. The Successor Agency was created to wind down the business of the former Redevelopment Agency and take over its obligations.

The City does not currently receive any funds for administering the Successor Agency. The City transferred administration of the Successor Agency to Ventura County during fiscal year 2018-19. The Successor Agency has only two recognized obligations remaining, 1) A loan from the City of Ojai, with an estimated outstanding balance of \$1,663,344 on June 30, 2021, and 2) an ongoing lease from the Ojai Unified School District for the Park and Ride facility and the skateboard park.

The state Department of Finance has approved repayment of City loans to the former Redevelopment Agency. SB 105 was enacted in 2015 which: 1) Set the repayment interest rate at 3%; 2) Requires the use of simple interest in computing the interest due to the City of Ojai; and 3) Requires all loan repayments to be applied to principal before interest. The state laws that were enacted to dissolve the Redevelopment Agency require 20% of the loan repayments to the City to be diverted to the Successor Housing Fund. The estimated diversion in FY 21-22 is \$73,000.

City of Ojai

Capital Improvement Project (CIP)

One of the most important priorities of the City Council is providing quality infrastructure. The cost of maintaining streets, parks and buildings is substantial and far exceeds revenue City would hope to receive from gas tax and grants, various other restricted funding sources, including regularly allocating money from the General Fund to the Capital Improvement Fund. To bridge the funding gap of continued maintenance, residents of Ojai unanimously voted for an increase to Transient Occupancy Tax (TOT) from 10% to 15%. This increase of 5% to TOT, referred to as Measure C, is accounted for in a separate and not part of the General Fund revenues.

In normal economic years, City has transferred 20% of Transient Occupancy Tax (TOT) revenue from the General Fund to the CIP fund. Due to the current COVID-19 pandemic, Council reduced this transfer to about 10%. The FY 21-22 budget does not include Transient Occupancy Tax (TOT) revenue transferred from the General Fund.

Residents of Ojai passed Measure C in a time when our City needs the most support in order to continue with deferred maintenance plans. With measure C, City can continue maintenance on a planned off year of road maintenance. With Measure C, City of Ojai citizens will notice the infrastructure improvements year over year. In the long run we will transform ourselves from a City with poorly maintained infrastructure to a City with high quality roads, parks and buildings.

Approximately \$2 million was spent on streets in FY 2019. In FY2020, City spent approximately \$630,000 on streets before COVID-19. FY 20-21 the planned street maintenance had to be on hold due to multiple shut down orders and revenue to the City was minimal for several months. For FY21-22, the budget proposes over \$3 million in capital projects with a total investment of roughly \$17 million spread over the next four years.
